

Name of the Workshop/Seminar:

Short Term Studentship Program for Dental Undergraduates

Date:16-02-2019

Number of Participants: 92

The main objective of Short Term Studentship Program for Dental Undergraduates is to provide an opportunity to undergraduate medical students to familiarize themselves with research methodology and techniques by being associated for a short duration with their seniors on ongoing research program or by undertaking independent projects. This serves as an incentive for them to take up research as a career in the future. Thus Medical/Dental Educational Cell (MDEC), Sibar Institute of Dental Sciences, Guntur has conducted a Seminar on Short Term Studentship Program for Dental Undergraduates delivered by Dr. M.C. Das for I BDS students. Dr. M.C. Das gave an insight on research project, preparation and submission of complete report & the required enclosures within the stipulated time period. Around 92 participants had a very interactive session with the Speaker. Finally, the Seminar has been ended with a thank you note.

Name of the Workshop/Seminar:

Fundamentals of Intellectual Property Rights

Date: 11-01-2019

Number of Participants: 90

Intellectual property rights (IPR) refers to the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period of time. Therefore, this Seminar was conducted by Medical/Dental Educational Cell (MDEC), Sibar Institute of Dental Sciences, Guntur. The Seminar was delivered by Dr.CH. Ram Sunil, Professor, Department of Conservative Dentistry and Endodontics for Interns. Around 90 participants attended the Seminar. The participants had a very interactive session. Finally, the Seminar has been ended with a thank you note.

Name of the Workshop/Seminar:

How to Create a Research Presentation

Date: 08-12-2018

Number of Participants: 44

Just like other forms of academic writing, a presentation can be divided into three parts: an introduction detailing the purpose and structure of the talk; a body covering the main points; and a conclusion summarising and highlighting the significance of your talk. To help participants to create a research presentation this seminar “How to Create a Research Presentation” was conducted by Medical/Dental Educational Cell (MDEC), Sibar Institute of Dental Sciences, and Guntur. The Seminar was delivered by Dr. Thavarajah Rooban, MDS, Oral Pathologist. Around 44 participants attended the seminar. The participants had a very interactive session and received many helpful tips on how to create a research presentation. Finally, the Seminar has been ended with a thank you note.

AUDIENCE LISTENING TO Dr. THAVARAJAH ROOBAN LECTURE

Name of the Workshop/Seminar: Confidentiality/Privacy

Date: 15-09-2018

Number of Participants: 95

Confidentiality refers to the duty to protect privileged information and to share entrusted information responsibly. It stems from the notion that a person's wishes, decisions, and personal information should be treated with respect. The duty of confidentiality can apply to individuals, organizations, and institutions. In fields like medicine, the law, and counseling, there are explicit, professional obligations to keep personal information in confidence, because the trust is the foundation for meaningful professional relationships. Privacy refers to the right to be free from interference. Privacy is supposed to enable individuals to exert control over their own lives, which includes deciding who should have access to personal information, and when and how this information will be disclosed. This seminar "Confidentiality/Privacy" was conducted by Medical/Dental Education Cell (MDEC), Sibar Institute of Dental Sciences, Guntur. The seminar was delivered by Dr. K. Lalith Prakash Chandra, Professor and Department of Oral Pathology for Interns. Around 95 participants attended the seminar. The participants had a very interactive session. Finally, the Seminar ended with a thank you note.
