Sir,

It is with much pride and gratitude that I inform you that the programme "nurturing smiles of future endeavor's" organized on the eve of children's day by ISPPD - association with Department of Pediatric & preventive dentistry, Sibar Institute Of Dental Sciences Guntur. It is a huge success in term of response shown by our children and It was a interaction session rather than a screening programme.

Children's participated very enthusiastically in the quiz, drawing and word search competitions. Apart from that oral screening camp conducted no. of children 81 done. Preventive program for need full children like Pit and Fissure sealants, Fluoride application, SDF application were performed.

I would like to express my heartfelt gratitude for the efforts, interest and sincerity shown by the staff of department of Pediatric & preventive dentistry for conducting dental awareness & treatment camp for future young Indian community.
