MINUTES OF THE PROGRAMME

The current program is an excellent career guidance program conducted for the outgoing interns every year with an objective to provide much needed exposure to students about various career choices available in the global dentistry and other future career options, so that students can make informed decisions for their future career. So, with the aim of educating Interns about various future career options, we have conducted an Employability skill development Programme organized by **MDEC** at **Sibar Institute Dental Sciences**. The speakers for this topic were K. Phani Kumar, Professor, Department of Oral and Maxillofacial Surgery, Sibar Institute of Dental Sciences, Guntur and Dr. Vivekananda Kattimani, Head of Department, Department of Clinical Research and Professor in the Department of Oral and Maxillofacial Surgery, Sibar Institute of dental sciences, Guntur. Around 114 students attended the programme and indepth discussion was done along with question-and-answer interactive session. Finally, the programme ended by handing over the certificate of appreciation and a thank you note.

Ph. No: +91-863 - 2292962

Date: 23/11/2021

Time: 2:00 to 4.00 PM

Type of programme: Employability skill development Programme

Topic: Career options for a BDS graduate

Speakers profile: Dr. SAMATA, MDS, Professor and Head, Department of oral medicine and radiology

Target group/audience: I BDS and II BDS

Number of participants: 158

MINUTES OF THE PROGRAMME

After finishing five years of the BDS course, including four years of academics and a one-year internship, candidates look for opportunities in this field. BDS offers a bright career prospect to students due to the high demand for graduates in India and abroad in various medical and dental science domains. There are multiple avenues where BDS students can make careers at. So, with the aim of educating students from initial days of course about various future career options, we have conducted an Employability skill development Programme organized by **MDEC** at **SIBAR Institute Dental Sciences**. The speaker for this topic is Dr. SAMATA, MDS, Professor and Head Department of oral medicine and radiology, Sibar Institute of dental sciences, Guntur. Around 158 students attended the programme and indepth discussion was done along with question-and-answer interactive session. Finally, the programme ended by handing over the certificate of appreciation and a thank you note.

Ph. No: +91-863 - 2292962

Date:27/08/2020

Time:09.00pm to 10.30 pm

Types of programme: Employability skill development program.

Topic:CAREER ABROAD @CANADA

Speaker profile: Dr.Joshua Shieh, M.D.S

Clinical Instructor - The Institute of Dental Excellence

Faculty of Dentistry - University of Toronto, T.I.D.E, Canada,

Program Director - Academy of International Dental Education

Target group/audience:III BDS and Interns

Number of participants: 117

MINUTES OF THE PROGRAMME

The current program is an excellent career guidance program conducted for the outgoing interns every year with an objective to provide much needed exposure to students about various career choices available in the global dentistry and other future career options, so that students can make informed decisions for their future career. So, with the aim of educating Interns about various future career options, we have conducted an online Employability skill development Programme organized by **MDEC** at **SIBAR Institute Dental Sciences**. The speakers for this topic were Dr.Joshua Shieh, M.D.S, Faculty of Dentistry - University of Toronto, T.I.D.E, Canada. Around 117 students attended the programme and indepth discussion was done along with question-and-answer interactive session. Finally, the programme ended by handing over the certificate of appreciation and a thank you note

Ph. No: +91-863 - 2292962

Date: 13/09/2020

Timings: 10.00 AM to 11.10 AM

Type of programme: Employability skill development programme

Topic: "Career Abroad: USA"

Speakers: Dr. Poornima Vasireddy (DDS)

Target audience: I BDS

Number of participants: 71

MINUTES OF THE PROGRAMME

10:00AM to 10:15AM- Introduction of the speakers and the topic by Dr.G.Phani Krishna, Reader, Dept of Prosthodontics.

10:15AM to 10:55AM – Lecture on the topic by Dr.PoornimaVasireddy.

10:55AM to 11:10 AM - Queries session.

11:10AM to 11:15AM - Thank you note by Dr.G.Phani Krishna, Reader, Dept of Prosthodontics.

Medical and dental education cell conducted a guest lecture on topic Dental Education in USA as a part of career crossroads for all the I BDS students. Speaker Dr. Poornima Vasireddy (DDS) enlightened and shared her valuable knowledge and insight about dental education in USA. Over 71 students attended the programme and there was an interactive session for the students to clear their doubts and overall it was a grand success.

Date: 11/11/2019

Time: 2:00 to 4.00 PM

Type of programme: Employability skill development Programme

Topic: CAREER OPTIONS FOR DENTAL GRADUATES IN GOVERNMENT SECTOR

Speakers profile:

Dr. VISWA CHAITANYA, MDS, DEPARTMENT OF COMMUNITY DENTISTRY

Target group/audience: I BDS and II BDS

Number of participants: 154

MINUTES OF THE PROGRAMME

After finishing five years of the BDS course, including four years of academics and a one-year internship, candidates look for opportunities in this field. BDS offers a bright career prospect to students due to the high demand for graduates in India and abroad in various medical and dental science domains. The definition of a good dentist is one who knows to mix both hard and smart work. And most students lack information about career options.

Another fact is that this kind of career information on government dental jobs is also not available online. we have conducted an Employability skill development Programme organized by **MDEC** at **SIBAR Institute Dental Sciences**. The speaker for this topic is Dr. VISWA CHAITANYA, MDS, and Department of Community Dentistry. Around 154 students attended the programme and indepth discussion was done about various government sectors offering jobs for dental graduates and requirements necessary to apply for those jobs. Finally, the programme ended by handing over the certificate of appreciation and a thank you note.

Topic: **CAREER AFTER BDS**

Speaker profile: Dr. LalithPrakash Chandra.K, MDS, Reader, Department of oral pathology

Target group/audience: **III BDS and Interns**

Number of participants: 104

MINUTES OF THE PROGRAMME

The current program is an excellent career guidance program conducted for the outgoing interns every year with an objective to provide much needed exposure to students about various career choices available in the global dentistry and other future career options, so that students can make informed decisions for their future career. So, with the aim of educating Interns about various future career options, we have conducted an Employability skill development Programme organized by **MDEC** at **SIBAR Institute Dental Sciences**. Dr. Lalith Prakash Chandra.K, MDS, Reader, Department of oral pathology has enlightened the students about various career options. Around 104 III BDS students and interns attended the programme and indepth discussion was done along with question-and-answer interactive session. Finally, the programme ended by handing over the certificate of appreciation and a thank you note

Time: 2.00pm to 4.00 pm

Types of programme : Employability skill development program.

Topic: CAREER AFTER DENTISTRY

Speaker profile:

1. Dr. Muralidhar Mupparapu

Dr. Muralidhar Mupparapu graduated from Government Dental College and Hospital, Hyderabad and went on to obtain his masters in Oral Medicine and Radiology from Manipal College of Dental Surgery. Upon moving to the United States, he attended the University of Pennsylvania School of Dental Medicine and obtained his DMD degree. He became a board certified Oral and Maxillofacial Radiologist in the United States and taught Radiology at The University of Pennsylvania School of Dental Medicine as well as Rutgers School of Dental Medicine. Dr. Mupparapu is currently the director of Radiology at Penn Dental Medicine and an attending in the Department of Oral and Maxillofacial Surgery at the Hospital of the University of Pennsylvania, Philadelphia

2. Dr. Steven R. Singer

Dr. Steven R. Singer graduated from New York University College of Dentistry in 1982. He practiced general dentistry for more than 25 years, while teaching Oral and Maxillofacial Radiology. Prior to moving to Rutgers School of Dental Medicine, he was on the faculty of Columbia University College of Dental Medicine. Currently, he is Professor and Chair of the Department of Diagnostic Sciences, as well as Interim Director of the Division of Oral and Maxillofacial Radiology in the Department of Diagnostic Sciences at the Rutgers School of Dental Medicine.

Target group/audience: III BDS and Interns

Number of participants: 118

MINUTES OF THE PROGRAMME

The current program is an excellent career guidance program conducted for the outgoing interns every year with an objective to provide much needed exposure to students about various career choices available in the global

Time: 2:30 to 4.00 PM

Type of programme: Employability skill development Programme

Topic: REQUIREMENTS FOR HIGHER EDUCATION IN USA

Speakers profile: Dr. Muralidhar Mupparapu, DMD, MDS, Dip.ABOMR

Director Oral & Maxillofacial Radiology Fellowship,

Professor of Clinical Oral Medicine Division of Oral & Maxillofacial Radiology

Department of Oral Medicine

Target group/audience: I BDS and II BDS

Number of participants: 166

MINUTES OF THE PROGRAMME

After finishing five years of the BDS course, including four years of academics and a one-year internship, candidates look for opportunities in this field. BDS offers a bright career prospect to students due to the high demand for graduates in India and abroad in various medical and dental science domains. Master's in Dentistry in USA for international students are encouraged all over the world for the wide scope of practice and employment potential.

Dental Science is one of the essential subunits of any health science course, and in present times it has a significant place amongst the health care system. So, with the aim of educating students from initial days of course about various requirements for higher education in USA, we have conducted an Employability skill development Programme organized by **MDEC** at **Sibar Institute Dental Sciences**. The speaker for this topic is Dr. Muralidhar Mupparapu, DMD, MDS, Dip.ABOMR. Around 166 students attended the programme and indepth discussion was done along with question-and-answer interactive session. Finally, the programme ended by handing over the certificate of appreciation and a thank you note.

Date: 15/09/2017

Time: 2:30 to 4.15 PM

Type of programme: Employability skill development Programme

Topic: Career options for a BDS graduate

Speakers profile: Dr. Vivekananda Kattimani, MDS, Department of Oral and maxillofacial surgery

Target group/audience: I BDS and II BDS

Number of participants: 161

MINUTES OF THE PROGRAMME

After finishing five years of the BDS course, including four years of academics and a one-year internship, candidates look for opportunities in this field. BDS offers a bright career prospect to students due to the high demand for graduates in India and abroad in various medical and dental science domains. There are multiple avenues where BDS students can make careers at. So, with the aim of educating students from initial days of course about various future career options, we have conducted an Employability skill development programme organized by **MDEC** at **SIBAR Institute Dental Sciences**. The speaker for this topic is Dr. Vivekananda Kattimani, Reader in the Department of Oral and Maxillofacial Surgery, SIBAR Institute of dental sciences, Guntur. Around 161 students attended the programme and indepth discussion was done along with question-and-answer interactive session. Finally, the programme ended by handing over the certificate of appreciation and a thank you note.

SIBAR INSTITUTE OF DENTAL SCIENCES

Takkellapadu, Guntur 522509, Andhra Pradesh, India.

Ph. No: +91-863 - 2292962

Date: 14-08-2017

Time: 2.00 pm to 4.00pm

Types of programme: EMPLOYABILITY SKILL DEVELOPMENT

Topic: "Good clinical setup"

Speakers: Dr.Lalith Prakash Chandra, Reader, Department of Oral Pathology

Target group/audience : III BDS, Interns, Post graduates

Number of participants:160

MINUTES OF THE PROGRAMME

One of the common dilemmas a graduate or a postgraduate, faces even after toilsome years of degree completion is how to build a new practice from the ground up, remodeling and upgrading of existing clinics. To help the young minds in this aspect **Medical and Dental Education Cell, Sibar Institute of Dental sciences, (MDEC)**; organized a session by the renowned clinician **Dr.Lalith Prakash Chandra** on '**GOOD CLINICAL SETUP**'. The program received overwhelming response from the target group III BDS, Interns and post graduates with more than 160 attendees. It was a very interactive session reflected by ample time dedicated solely for queries clarification
