

**SIBAR INSTITUTE OF DENTAL SCIENCES, GUNTUR**  
**Feedback-Action Taken Report Academic Year 2022-23**

S. No.	Stakeholder	Feedback	Action Taken	Name of the Program
1.	Students	Ultrasonic Scaling maybe introduced in undergraduate curriculum.	Ultrasonic Scaling is introduced at IV BDS level.	BDS
		Students should get exposed to Implant Dentistry at Undergraduate level.	Interns are posted in the Department of Implant Dentistry for observation and Clinical Assistance.	
2.	Teachers	Public Health Dentistry: A total number of 260 hours were allotted to the subject of Public Health Dentistry (60 theory + 200 clinical hours), however all these total hours are scheduled in fourth year as per Dental Council of India regulations - suggest to distribute teaching/clinical hours officially for third and fourth year of BDS.	Suggestion has been forwarded to University for discussion in Board of Studies regarding Curriculum reforms.	BDS
		Public Health Dentistry: University may include World Health Organization Oral Health Assessment form 2013 in the curriculum of Public Health Dentistry.	Suggestion has been forwarded to University for discussion in Board of Studies regarding Curriculum reforms.	MDS
3.	Employers	Training on Digital Dentistry and Soft tissue Lasers may be included in the Curriculum at undergraduate level.	Suggestion has been forwarded to University for discussion in Board of Studies regarding Curriculum reforms.	BDS
4.	Professionals	As Silver amalgam is becoming obsolete, more emphasis on composite restorations to be increased. For the practical and clinical examinations composite restoration may be made as a standard acceptable exercise during university examination. Endodontic materials must be added to dental materials.	Suggestion has been forwarded to University for discussion in Board of Studies regarding Curriculum reforms. However training on composite restorations has been introduced from III BDS onwards.	BDS
5.	Alumni	Students should be introduced to clinics (early clinical exposure) from I BDS onwards.	Suggestion has been forwarded to University for discussion in Board of Studies regarding Curriculum reforms.	BDS
