MESSAGE

DEAN'S MESSAGE

Sibar Institute of Dental Sciences (SIDS) is a leading centre of excellence in oral health care, recognised nationally for graduate and post-graduate specialist training. It is the first choice for graduate and post graduate education and training for progressive dental personnel, state and nationwide who want quality education and training.

Leaders of the profession - outstanding clinicians, lecturers and professors of national repute - are on the staff of the SIDS. Few are members of international, and national bodies, editors of various dental journals and are examiners at the various Colleges and in other Universities nationwide.

Under the tutelage of highly trained and productive professors, the student acquires a solid foundation in the biomedical and oral health sciences. This knowledge forms the basis for understanding the wide variety of diseases that a dentist must diagnose and treat. Skillful and experienced clinical lecturers / professors guide the student in acquiring technical skills and developing clinical judgement.

Situated in the outskirts of Guntur city. The college has the benefit of a large pool of patients who seek dental treatment at its clinics. Additional training in patient care is gained during assignments at affiliated hospitals and at externship sites in various locations. SIDS has strong academic tie up with NRI Medical College & General Hospital. SIDS also has got International Students Exchange (ISE) programme with Rutgers School of Dental Medicine, New Jersey, USA, Faculty of Dentistry, the University of Hong Kong, Hong Kong and Faculty of Dentistry, MAHSA University, Malaysia.

Since its foundation, SIDS has been committed to excellence in education, patient care, research, and community service. With each incoming class we rededicate ourselves to the achievement of these goals. I look forward for your valuable commitment in our success.

Dr. L. Krishna Prasad MDS

HIPPOCRATIC OATH

"I swear by Apollo the physician, by Aesculapius, Hygeis, and Panacea, and I take to witness all the gods, all the goddesses, to keep according to my ability and my judgement the following Oath "To consider dear to me as my parents who taught me this art; to live in common with him; to look upon his children as my own brothers, to teach them this art if they so desire without fee or written promises to impart to my sons and the sons of the master who taught me and the disciples who have enrolled themselves and have agreed to the rules of the profession, but to these alone, the precepts and the instruction. I will prescribe regimen for the good of my patients according to my ability and my judgement and never do harm to anyone. To please no one will I preserve the purity of my life and my art. I will not cut for stone, even for patients in whom the disease is manifest; I will leave this operation to be performed by practitioners (specialists in this art). In every house where I come I will enter only for the good of my patients, keeping myself far from all international ill-doing and education, and especially from the pleasures of love with women or with men, be they free or slaves. All that may come to my knowledge in the exercise of my profession or outside of my profession or in daily commerce with men, which ought not to be spread, I will keep secret and will never reveal. If I keep this oath faithfully, may I enjoy my life and practice my art, respected by all men and in all times; but if I serve from it or violated it, may the reverse be my lot".

ABOUT US.....

Sibar Institute of Dental Sciences started functioning from the year 2001 and has been committed to excellence in education, research, patient care, and community service.

Sibar Institute of Dental Sciences offers one of the most forward looking educational environment in dental medicine in the country. The college is located in a clean, green and pollution free rural atmosphere at Takkellapadu, Guntur. The college is dedicated to training doctors of dental medicine as expert clinicians with strong biomedical background. Sibar Institute of Dental Sciences is affiliated to Dr. Y.S.R. University of Health Sciences and is recognized by Dental Council of India and Ministry of Health, Govt. of India. At Sibar Institute of Dental Sciences, research and teaching are complementary, producing professionals who possess the analytical capacity and the spirit of inquiry to deal with an ever increasing knowledge base and rapid technological changes. By treating patients in the teaching clinics of the college, our students understand not just to apply science to practice, but also to employ compassion in the treatment of human illness. The students and faculty at Sibar Institute of Dental Sciences benefit by interdisciplinary teaching, research and practice.

With a faculty of around 100 educators, clinicians, researchers and more than 120 non-teaching staff members, the college offers a full spectrum of undergraduate and postgraduate speciality education programmes. The following departments are functioning in the college.

1. ORAL MEDICINE & RADIOLOGY
2. ORAL & MAXILLOFACIAL SURGERY

Sibar Institute of Dental Sciences is working with total commitment and missionary zeal in the promotion of Dental education in all aspects including undergraduate and postgraduate studies. Proper guidance and counselling are given to dental students to give an opportunity to serve the society at large and rural population in particular by participating in Dental health camps.

Free dental camps : Education about prevention and early detection of dental diseases is imparted at the health camps, organized mostly in urban slums and rural areas with the guidance from public health dentistry department of our college. Free dental treatment with free medicines is also given to the patients.

Personal Excellence through "Yoga" : The college curriculum demands a lot of preparedness and courage especially during theory, practical and viva examinations. To lessen the stress and strain of these professional courses "Yoga" (Pranayama, Yogasanas and Meditation) is introduced for the students and staff. It improves Health, Memory and Happiness. Cyclical breathing techniques, including "Sudarshan Kriya", and pranayama methods are practiced in the college during leisure time. It improves the body resistance and improves the vitality.

Sports Facilities : Facilities for playing indoor and outdoor games are provided for the students to enable them to exhibit their skills in these activities. Basketball, volleyball, Throwball, Tennis and cricket grounds are available inside the college campus. Indoor shuttle - badminton court, Table tennis, chess and carroms are also available.

ANTIRAGGING MEASURES

RAGGING in any form is strictly prohibited in side and outside the college. Ragging means doing an act which causes or is likely to cause insult or annoyance of fear or apprehension or threat or intimidation or outrage of modesty or injury to a student. Ragging is a disorderly conduct by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which case or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not do in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.

The application for admission into the dental college has a printed undertaking to be filled up by the candidate and the parent / guardian of the candidate and the nature of the punishment if indulged in Ragging. This undertaking is to be signed by the senior students also. To prevent Ragging, Vigilance and Anti ragging committees have been constituted with their contact phone numbers. Grievance boxes are kept in prominent places of the college. If necessary the ragging incidents are reported to the police and F.I.R. would be filed. A close watch is kept on the visit of non-students / strangers to the college campus and college hostels.

For any complaints regarding ragging, students can mail to antiragging@sids.ac.in

The following Anti-ragging measures are implemented in Sibar Institute of Dental Sciences.

Sibar Institute of Dental Sciences received the copy of the order dated 11-02-2009 passed by the Hon'ble Supreme Court of India in Civil Appeal No. 887/2009 for our perusal and complied the direction contained therein including para 27 with strict implementation and enforcement. Also the instructions by University Grants Commission are also implemented.

The following anti-ragging measures are implemented in our colleges :

1. Anti-ragging committee and vigilance (Anti-ragging) Squad which include staff, and students including girls have been constituted. The parents of the students are also included. Their contact phone numbers including of principal are displayed in the college common rooms, class rooms, library, hostels, mess, in each room of the hostels and in notice boards. Regular and surprise visits of Anti-ragging committee and squad are done both in the college & hostels.
2. Full time wardens are working in boys & girls hostels and oversee the prevention of ragging in any form in the hostels. In the hostels, separate block is allotted for fresh students so as to minimize the mingling with the senior students.
3. Counselling of senior batches of students done by senior faculty with the nature of punishment for each act of ragging.
4. Identify the ragers in the institution.
5. Measures against ragers are displayed in the campus.
6. Concerted action to be proposed against the culprits (raggers)
7. To involve the media and civil societies in the exercise.
8. Yoga and Meditation classes to the senior & juniors are conducted, so that they become more "Satwik" in their approach. Already conducted basic course in "Art of Living & Sudarshan Kriya" and the results are excellent.

9. The banners of punishment deterrent to the raggers are displayed at the entrance of college and hospital, all the nine departments (clinical and non-clinical), all the lecture halls, Library and hostels in the campus for the boys and girls.
10. Form of undertaking by each and every student and their parents informing them of the punishment for ragging have been taken.
11. Distributing pamphlets which are having the information of punishment of ragging.
12. Conducting meeting among seniors and explaining about the problems of ragging and trying to prepare them against ragging.
13. In college hours regular supervision by anti-ragging committee members, faculty and ministerial staff in the campus.
14. Wardens in the hostels keep an eye on senior students and warning them against ragging.
15. Consultant psychiatrist is appointed to give counselling to deal with psychological aspects of ragging.
16. The Government of India started a toll free anti-ragging help line to work around the clock No. 1800-180-5522 and it works as a deterrent to an act of ragging.
17. Mentors or counsellors : Twenty doctors are selected from the teaching staff and each is given five freshers and they are the counsellors through out BDS Course and counseling the students regarding -ragging; health problems and academic progress and maintain the record of each student.
18. C.C.T.V.s are arranged at vulnerable points to keep an watch of ragging incidents.
19. Freshers day is being organized as early as possible to stop the menace of ragging.
